Renewing Scotland's Full Potential in the Digital World Strategy Update

Our forthcoming update aims to:

- Be big, bold and transformative
- Reflect the strategic priorities for Scotland as a whole, rather than a list of actions that are appropriate to individual organisations
- Resonates beyond the digital and data community

Framework

- Critical National Infrastructure
- No one left behind
- An Ethical Digital Nation
- Adding public value
- Ecosystem of talent
- Collaboration

Demonstrated in…

- Connecting Scotland
- Scottish Approach to Service Design
- Standards, assurance and controls
- Common Platforms
- CivTech / Digital Commercial Service
- Scottish Digital Academy
